Always the right clamp at hand

A photograph of two male mechanics in a garage. The mechanic on the left is wearing a blue work shirt, and the one on the right is wearing a grey work shirt. They are both smiling. In the foreground, there are several NORMA products: a blue box labeled "NORMACLAMP® TORRO®" with a list of features (Stark, Sicher, Zuverlässig), a white box labeled "TORRO® W9 Assortment", and two blue plastic trays containing various types of clamps and fasteners. A blue text box with white text is overlaid on the right side of the image.

**WE ARE
A TRUSTED
PARTNER**

In a Workshop, Every Minute Counts

Searching for the right part or waiting for deliveries slows down productivity. With NORMA's assortments and kits, you'll always have the right hose clamp instantly at hand. This saves time, increases efficiency, and makes everyday shop work smoother.

Practical Assortment Boxes for Workshops

Our boxes and wall displays offer a hand-picked selection of NORMA's premium OE-quality clamps. The clamps are sorted by size and type, ensuring fast access and fewer interruptions. This means less searching and more time for important tasks.

Dispensers—The Perfect Workshop Stocking Solution

Our dispensers keep clamps neatly organized and ready to use—on the bench or wall-mounted. In high-pressure situations, they ensure you can react immediately without delays. Everything you need is right at hand.

Tools Included—Ready for Immediate Use

Many assortments come with installation tools, so you can get to work without delay. No searching, no guesswork—just open the box and go. A smart way to streamline your repair process.
