We are your one-stop supplier
Wide range of over 27,000 joining solutions
for almost every connection need and car type.

We can handle it
1.8 million shipments are made by NORMA Group
each year to various countries around the globe.

We are a trusted partner
More than 90% of the car manufacturers in Europe
use original parts of NORMA Group.

Profit from easy, flexible ordering locally and throughout Europe

NORMA Group is the strong partner for distributors to provide garages with reliable spare parts of outstanding quality. All our products are available worldwide, while our local customer service teams support you right where you are, ensuring easy communication and

quick response times. In addition, our experienced and competent team is always at your side. As a customer at NORMA Group you have a dedicated contact person to quickly answer your questions or give advice on specific topics.

Benefits for distributors

- ✓ **Broad portfolio:** We offer one of the broadest portfolios of joining solutions, enabling you to reduce the number of your suppliers.
- ✓ **OE supplier:** Our reliable and consistent quality parts minimise, if not eliminate, complaints and returns from your customers.
- ✓ **TecDoc Premier Data Supplier:** Every product can easily be found in TecDoc and its product information conveniently be integrated into your systems.
- ✓ **Professional order management:** You can order from our order management teams using traditional means or via an optional EDI interface for fast and easy ordering.
- ✓ **Flexible distribution centres:** On request, our logistics teams can support you with customised labelling or packaging based on your branding.
- ✓ **Experienced instructors & staff:** Your dedicated NORMA Group expert team consults you on all connecting and joining topics. Additionally, our instructors support your teams with tailor-made training offers.

PREMIER

TecDoc®
DATA SUPPLIER

Reliable, fast and flexible shipments

NORMA Group operates 34 distribution centres worldwide, ensuring that all our products reach every region in the shortest possible time. Our high volume parts ship within 48 hours, and you can choose between general cargo, collection or parcel service. You can also request to assign a QR code or to brand your delivery before it leaves our depot.

The better connection guaranteed

Innovative, original-quality joining solutions – With more than 27,000 vehicle parts, NORMA Group provides garages with an unparalleled range of joining technology supplied by leading distributors. As an OE supplier to the automotive industry, we know what matters – be it charge air intakes, cooling systems, fuel and oil systems, exhaust systems, turbo charger connections or universal fixings. Superior quality in every detail. No compromise.
